Copy No. 8 of 8

27 February 1963

MEMORANDUM FOR : Chief, Engineering Analysis Division, OSA

SUBJECT : Upgrading CBA Capability

REFERENCE : Memo for DAD/OSA from C/EAD/OSA, Dated
19 February 1963; Same Subject (2239-63) 25X1A

25X1A 1. Since receipt of the reference, I understand that plans are pretty
25X1A well in hand now to in hand now to install a simulator
at .

25X1A 2. Please let me know what effect this latest action will have if
finally approved and forwarded on your recommendation in paragraph 1
of the reference to add to the funding at CBA and to establish top level DOD
priorities to that project. I raise this matter lest we be spending money at
CBA unnecessarily in view of the project.
